WORK EXPERIENCE

Design Intern

Historical Society of Baltimore County

Cockeysville, MD, 2019
Creative direction over the re-branding process of the historical society.
Designed a series of interactive and children's exhibits for the Smithsonian Water/Ways show (May 25-July 6)

Intern

Globe Collection and Press at MICA

Baltimore, MD, 2018
Worked with clients to design and print posters and other collateral for their events.
Contributed to the ongoing documentation and cataloging of the collection.

FREELANCE WORK

Web Design

Historical Society of Baltimore County

Cockeysville, MD, December, 2020
Directed and executed the redesign of HSOBC's website by integrating the new branding and logo proposed in 2019.
Created an easy to use interface with an event calendar and a new shop.

Logo Design

Zion United Church of Christ

Perry Hall, MD, September 2020
Logo and collateral redesign
Collaborated with the church staff to create a logo that represents the church and it's architecture.

Established a system of branding including letterhead and envelopes and created a system of illustrated maps and signage for use during the semiannual festivals church festivals.

Web Design

Chatham HOA

Baltimore, MD, January, 2020
Designed and built a multi-functional website for the Home Owners Association of Chatham in Baltimore, MD. Website was to be used by neighborhood residents to keep up to date on events and news and as a promotional tool for realtors and prospective residents looking to move to the area.

Web Design

Sea Scout Ship 7117

Back river, MD, 2018-2019
Responsible for designing, building, and running the website for ship 7117.
Established a system of design and promotion of the ship for the purpose of recruiting new members.
Instituted a system of photo documentation for the organization's web presence.

SKILLS

Professional Skills

Graphic design, typography, hand lettering, letterpress printing, collage, screen printing, risograph printing, branding, poster design, photography and photo editing. Proficient with the Adobe Suite.
Experience in front end web design: HTML, CSS, and Java script.

Very comfortable handling budgets, contracts, invoices and proposals. Able to communicate effectively and in a timely manner with clients.

Personal Skills

Self-motivated and great at working on a team but also always ready to take the lead. Friendly, outgoing, patient, and great at communicating. Detail oriented, organized and excellent at problem solving. A fast learner, and an honest, responsible worker.
